

Tuesday, October 24, 2017

	Sycamore (Plenary & Parallel 1)	Lakes Suite (Parallel 2)	Saggart (Parallel 3)	Dublin (Parallel 4)	New Castle (Parallel 5)
8:00 AM - 8:10 AM	Opening Ceremony with remarks from ISCoS President				
8:10 AM - 8:55 AM	Plenary #1 - Guttman Lecture Andrew Blight, PhD: It's not rocket science - translational challenges in spinal cord injury				
9:00 AM - 10:30 AM	<p align="center">Workshop 1</p> <p>Acute and surgical management of vertebral fracture in spinal cord injury: What other disciplines in the team should know? Harvinder Chhabra, Rainer Abel, Francois Theron, Ashok Pedaballe Reddy</p>	<p align="center">Workshop 2</p> <p>Using computerized adaptive tests to measure outcomes in adults and children with spinal cord injury. MJ Mulcahey, Mary Slavin</p>	<p align="center">Workshop 3</p> <p>Electronic Medical Record: Data Collection and Reporting – including International SCI Data Sets and Standards for Neurological Classification of SCI Fin Biering-Sørensen, Gianna Maria Rodriguez, Stacey Cohen</p>	<p align="center">Workshop 4</p> <p>Debates on neurogenic bladder dysfunction. Interaction with other organs' and systems' dysfunction. Christina-Anastasia Rapi, Jean Jacques Wyndaele, Charalampos Konstantinidis, Andrei Krassioukov</p>	<p align="center">Workshop 5</p> <p>An emerging service delivery model in follow-up process and beyond: Comparison of different approaches to Telehealth support Nishu Tyagi, Sajeesh Kumar, Chitra Kataria, Adesola C. Odole, Lisette Van Gemert</p>
10:35 AM - 11:35 AM	Poster Viewing 1 with refreshments				
11:40 AM - 1:10 PM	<p align="center">Workshop 6</p> <p>Why (and how to) report rehabilitation activities in clinical trials? Karim Fouad, Marcel Post, Edelle Field-Fote, Kim Anderson</p>	<p align="center">Workshop 7</p> <p>Prevention Committee Workshop: ISCoS ASM Dublin - Non Traumatic Spinal Cord Injury: Is prevention possible? Peter New, Francois Theron, Kamil Yazicioglu, Yannis Dionyssiotis, Harvinder Singh Chhabra</p>	<p align="center">Workshop 8</p> <p>Barriers to comBarriers to Community Integration for Persons with SCI Shivjeet Raghav, Nazirah Hassan, Stanley Ducharme, Anne O'Loughlin</p>	<p align="center">Workshop 9</p> <p>Evaluation and decision-making in neurogenic bowel dysfunction Anton Emmanuel, Klaus Krogh, Bruno Gallo Santacruz, Stephen Kirshblum</p>	<p align="center">Workshop 10</p> <p>Management of pressure ulcers in Spinal Cord Injury patients Aheed Osman, Srinivasa Chakravarty Budithi, Naveen Kumar</p>
1:15 PM - 2:15 PM	Lunch and Poster Viewing - Day 1 ACCT Talks: "Combined bladder and bowel management – a reality or the future?" Optional Sponsor's Lunch Symposium in Lakes Suite. Lunch will be served.				
2:20 PM - 3:05 PM	Plenary #2 - ISRT Lecture Stephen McMahon, FMedSci				
3:10 PM - 4:10 PM	Poster Viewing 2 with refreshments				
4:15 PM - 5:45 PM	<p align="center">Workshop 11</p> <p>Advancements in Implanted Electrical Stimulation Technology for Spinal Cord Injury Anne Bryden, Dennis Bourbeau, Ronald Triolo</p>	<p align="center">Workshop 12</p> <p>Comprehensive interprofessional management of spinal cord injury in infants and young children Lawrence Vogel, Randal Betz, MJ Mulcahey, Kathy Zebracki</p>	<p align="center">Workshop 13</p> <p>Sexual dysfunction and treatment options after spinal cord injury in males. Lique Coolen</p>	<p align="center">Workshop 14</p> <p>ISCoS SCI Educational Initiatives Lessons learnt and further development of strategies to increase quality and coverage of SCI education globally Stephen Muldoon, Lisa Harvey, Federico Montero, Ronald Reeves</p>	<p align="center">Workshop 15</p> <p>A Prelude to Randomized Controlled Trials: Clinical Research Pilot Studies Kimberley Monden, Susan Charlifue</p>
6:00 PM - 8:00 PM	Welcome Cocktail				

Wednesday, October 25, 2017

	Sycamore (Plenary & Parallel 1)	Lakes Suite (Parallel 2)	Saggart (Parallel 3)	Dublin (Parallel 4)	New Castle (Parallel 5)
8:00 AM - 8:55 AM	<u>Discipline Specific Meeting 1</u> Annual network meeting for Spinal cord Injury Occupational therapists, SCIOT - Dr. Johanna Wangdell	<u>Optional Sponsor's Breakfast Symposium</u> 07:30 Coffee & Croissants 08:00 Symposium	<u>Discipline Specific Meeting 2</u> International Spinal Cord Injury Data Sets Committee meeting - Prof. Fin Biering-Sorensen	<u>Discipline Specific Meeting 3</u> Spine Trauma Study Group Networking meeting - Dr. Harvinder Chhabra	<u>Discipline Specific Meeting 4</u> Psychology Group - Stan Ducharme
9:00 AM - 9:45 AM	<u>Plenary #3 - RHI Lecture</u> Professor Dame Nicky Cullum, DBE, PhD - Evidence-based pressure ulcer prevention and treatment in spinal cord injury – where are we?				
9:50 AM - 10:45 AM	<u>Poster Viewing 3</u> with refreshments				
10:50 AM - 12:20 PM	<u>Workshop 16</u> Journal update: Spinal Cord, and Spinal Cord Series and Cases Lisa Harvey, Marcalee Alexander, Marcel Post, John Steeves	<u>Workshop 17</u> Repurposing Acute Therapeutics For Enhanced Recovery of Spinal cord Injury (RATER-SCI) John Kramer, Catherine Jutzeler, Catherine Mercier, Dolor Soler, Armin Curt, Frank Bradke	<u>Workshop 18</u> ISCoS-ISPRM-HI Collaborative Workshop - Supporting global disaster planning and response for SCI in low resource settings Jan Reinhardt, Kathleen Martin Ginis, Peter Skelton, Rogier Broeksteeg, Jo Armstrong, Toni Williams, Eric Weerts, Ziqiang Han, Karin Postma, Kerstin Wahman, James Middleton	<u>Workshop 19</u> Comparing different innovative peer led approaches that maximise life outcomes for people affected by spinal cord injury Lucy Robinson, Andrew Dickinson, John Hogberg, Kevin Schultes	<u>Workshop 20</u> Multidisciplinary Approach To The Management of Spasticity in Spinal Cord Injury Belgin Erhan, Murat Hanci, Claes Hultling, Wagih S El Masri
12:25 PM - 1:30 PM	<u>Lunch and Poster Viewing - Day 2</u> Optional Sponsor's Lunch Symposium				
1:35 PM - 3:05 PM	<u>Discipline Specific Meeting 5</u> SCIPT meeting - Mrs. Ulla Bergner	<u>Discipline Specific Meeting 6</u> Quality of Life Special Interest Group - Dr. Susan Charlifue	<u>Discipline Specific Meeting 7</u> Nurse meeting - Miss Debbie Green	<u>Discipline Specific Meeting 8</u> Autonomic Standards Networking Meeting - Dr. Jill Wecht	<u>Discipline Specific Meeting - 9</u> Consumer meeting - Ms. Jane Horsewell
3:10 PM - 4:10 PM	<u>Poster Viewing 4</u> with refreshments				
4:15 PM - 5:45 PM	<u>ISCoS AGM</u>				
7:30 PM - 11:45 PM	<u>Conference Dinner</u>				

Thursday, October 26, 2017

	Sycamore (Plenary & Parallel 1)	Lakes Suite (Parallel 2)	Saggart (Parallel 3)	Dublin (Parallel 4)	New Castle (Parallel 5)
9:00 AM - 9:45 AM	Plenary #4 Stephen Muldoon - Health Systems Strengthening - Increasing the quality and coverage of appropriate, accessible, sustainable and comprehensive healthcare and rehabilitation services for people with spinal cord injury (SCI) globally				
9:50 AM - 10:50 AM	Poster Viewing 5 with refreshments				
10:55 AM - 12:25 PM	<u>Workshop 21</u> Important Considerations for Moving Spinal Cord Injury Clinical Trials Forward: a SCOPE Perspective Keith Tansey, Linda Jones, James Guest, Mary Jane Mulcahey	<u>Workshop 22</u> Getting to Orgasm: It's possible Marca Alexander, Jean Gabriele Previnaire, Giulio DelPopolo, Lesley Marson	<u>Workshop 23</u> SCI Clinical Research Engagement Workshop: Developing an Active Research Network Douglas J Brown, Keith Hayes, Kent Bassett-Spiers, Vanessa Noonan, John D Steeves, Kim D Anderson-Erisman, Phalgun B Joshi, Armin Curt, Harvinder S Chhabra, Jane Hsieh, Emma Peleg	<u>Workshop 24</u> Starting SCI rehabilitation in Africa - The Spinalis concept -an eight year experience in Botswana, Namibia and Zambia Claes Hultling, Inka Löfvenmark, Brian Sonkwe, Sharon Masaka	<u>Workshop 25</u> Healthy lifestyle in spinal cord injury; from knowledge to practice. An international perspective Rogier Broeksteeg, Karin Postma, Kerstin Wahman, Toni Williams, Kathleen Martin Ginis, Rita van den Berg-Emons
12:30 PM - 1:15 PM	Lunch and Poster Viewing - Day 3				
1:20 PM - 2:05 PM	Plenary #5 Professor Dr. med Thomas Kessler - Management of neurogenic lower urinary tract dysfunction in patients with spinal cord injury				
2:10 PM - 3:40 PM	<u>Workshop 26</u> Clinical Trials: Lessons Learned, Challenges, Solutions Linda Jones, Armin Curt, Jane Hsieh, Andrew Blight, Patrick Freund, Jim Guest, John Steeves	<u>Workshop 27</u> Put On Your Air Mask First! Keeping that passion alive through the generations! Claes Hultling, Amie Jackson McLain, Marcalee Alexander, Ruth Marshall, Chloe Slocum	<u>Workshop 28</u> Exoskeletal-Assisted Walking in Acute Inpatient and Chronic Outpatient Spinal Cord Injury Rehabilitation Ann M. Spungen, Chester Ho, Luciano Bissolotti, Gail F. Forrest	<u>Workshop 29</u> How to Deliver a Cognitive Behavioural Therapy Pain Management Programme for Spinal Cord Injury: Both Face to Face and Online. Dearbhla Burke, Olive Lennon, Maeve Nolan, Eimear Smith, Fiona Maye, Sadb Ní Ghiolláin, John Lynch, Brona Fullen	<u>Workshop 30</u> Self-efficacy: concept, measurement and relevance for quality of life after SCI Marcel Post, James Middleton, Denise Tate
3:45 PM - 4:30 PM	Plenary #6 (tentative) Poster Presentation Awards
